

## “FROM THE DESK OF FATHER JONATHAN”

---

**JUNE 7, 2015**

As many of you already know, this month we are saying goodbye to two great priests who have been in residence at Our Lady of Mt Carmel for the last two years while they did graduate studies at Fordham. Fr Taemoon left last week to do mission work in China and Fr Salty leaves in about ten days to return to the Philippines to be chaplain at a very large hospital. Please join me in thanking these great priests for their service to our parish and praying for their new assignments. Fathers, we came to know and love you. Thank you for who you are and what you did for our parish!! I am happy to announce that, as of this week, we have a new priest living with us and serving the parish part-time. His name is Fr Livinus Anweting. He is from Nigeria and is here in New York studying his doctorate in religious education at Fordham. I have come to appreciate Livinus greatly as a man and as a priest in the short time I have known him and I have no doubt he will become a beloved member of our family very soon! When you see Fr Livinus, please go up to him and introduce yourselves.

Fr Livinus' English is excellent and he has told me he is looking forward to studying Spanish. Let's teach him Italian while he is at it!! Finally, I must say that I'm looking forward to celebrating with all of you the Feast of St Anthony. The feast begins Wednesday of this week. I am very appreciative of Frank Franz who has been our point person for the many aspects of the preparation. And he has done all of this work pro-bono
