

“FROM THE DESK OF FATHER JONATHAN”

SEPTEMBER 20, 2015

The Pope is coming!

Thirteen of our parishioners have been selected by lottery to go to the pope's mass in Madison Square Garden. Two of the winners were not able to go on account of health issues so we decided to give those two tickets to our beloved Sisters Edna and Jiasmin to thank them for all of the work they have done for our parish family. Sr. Martina will be going to see the Pope in Philadelphia with a bus load of other parishioners. Like most of you, I will be watching Pope Francis on television!! Of course we would all love to be with him in person, but I think that even by television we will feel the grace that comes from having the successor of St. Peter in our country and city. I have a suggestion: how about we all agree to spend some each day this week in private prayer for Pope Francis and for the spiritual fruits of his visit.

Our Lady of Mt. Carmel, pray for Pope Francis!

St. Anthony, pray for Pope Francis!

St. Francis, pray for Pope Francis! Father Jonathan
