FROM THE DESK OF FATHER JONATHAN

September 16, 2018

We have begun preparations for our annual dinner dance which will be held this year on Sunday, October 28th.

Every year we choose two or three honorees who have contributed significantly to the wellbeing of the parish.

This year I am happy to announce that we have chosen to honor the religious sisters who have worked so hard and selflessly at Mount Carmel for many years. In fact, this year marks their 25th anniversary in our parish. Besides Sr. Edna, Sr. Martina, and Sr. Jasmin, several other Missionary Sisters of the Catechism who have worked here in the past and their Mother General will be at the dinner to receive the honor.

The sisters work very hard in service but even more important than their work is the personal testimony they give to us of following the Lord. How blessed are we to see them each day and work alongside them!

Please make plans to come and honor the sisters on October 28th at 3:00pm at Maestro's Caterers. Tickets are available in the office.

God bless, Father Jonathan
